

Give second chances— Confession

1. Review

How have you done applying what we talked about last time?

2. Read

Listen to the podcast and read the scripture. What is the scripture saying? What truth of the gospel does it teach us?

3. Reflect

What impacts you most? What does this look like in your life? What would fruitfulness look like?

4. Respond

What is God speaking to you about and what are you going to do? Pray for one another

5. Reach

How would you share this good news? How has your personal witness been going?

1. Review

We recommend that you keep a discipleship journal on your phone or notebook – where you can record anything that you agree to do with the group. Take time to share how you are getting on. We encourage openness to the Holy Spirit and encouragement from your group to have an ongoing list of areas where you need to be intentional about growing.

2. Read

- **James 5:16; 1John 1:9**

We assume you have listened to the Podcast on the website for this topic prior to the meeting.

3. Reflect

- What areas of your life do you know require confession and Gods purifying response?
- What fruits of the spirit do you need to confess you stumble in or need to grow in?
- When would you need to confess to God? And When would you need to confess to a trusted brother or sister as well as to God?

4. Respond

What actions or changes in attitude are you being prompted to make? Make a note of these and share them with each other. Don't discount yourself or get disconsolate or under pressure ask for more grace to make progress in this fundamental area of your growth.

Look together at Galatians 5 – and ask the Holy Spirit to reveal which fruits of the spirit cause you a little ouch.

Take some time to pray and praise God. Invite the Holy Spirit to give you counsel, guidance, words, pictures, scriptures, encouragement for each other on this whole topic of confession. This is a great time to practice the gifts of the Holy Spirit.

5. Reach

How are you doing with sharing your hope since the last time you met? Do you need to confess any fear and doubt so that you receive Gods strength and peace about sharing your hope?
