

Get Involved- Gather

1. Review

How have you done applying what we talked about last time?

2. Read

Listen to the podcast and read the scripture. What is the scripture saying? What truth of the gospel does it teach us?

3. Reflect

What impacts you most? What does this look like in your life? What would fruitfulness look like?

4. Respond

What is God speaking to you about and what are you going to do? Pray for one another

5. Reach

How would you share this good news? How has your personal witness been going?

1. Review

We recommend that you keep a discipleship journal on your phone or notebook – where you can record anything that you agree to do with the group. Take time to share how you are getting on. We encourage openness to the Holy Spirit and encouragement from your group to have an ongoing list of areas where you need to be intentional about growing.

2. Read

- **Hebrews 10:23-25**
- **Hebrews 3:12-13**

We assume you have listened to the Podcast on the website for this topic prior to the meeting.

3. Reflect

- What does this scripture say about gathering together?
- What does the scripture say about why we should meet?
- What is your habit of meeting together?
- How are you opening up your life for others to look in so they can encourage you effectively?
- How are you deliberately prioritising meeting together and being in a good place when you do - so that you might receive grace fruitfully and help others by putting up prepared?

4. Respond

What actions or changes in attitude are you being prompted to make? Make a note of these and share them with each other. Don't discount yourself or get disconsolate or under pressure ask for more grace to make progress in this fundamental area of your growth.

We want you to be clear in your mind about why the bible exhorts us to take every opportunity to gather together.

Take some time to pray – invite the Holy Spirit to give you counsel, guidance, words, pictures, scriptures, encouragement for each other on this whole topic of gathering together. This is a great time to practice the gifts of the Holy Spirit.

5. Reach

Share how you are getting on with sharing your hope with the unsaved. How can we invite un-believers into our gatherings? What would help you do this more?
