

Loving God– Singing

1. Review

How have you done applying what we talked about last time?

2. Read

Listen to the podcast and read the scripture. What is the scripture saying? What truth of the gospel does it teach us?

3. Reflect

What impacts you most? What does this look like in your life? What would fruitfulness look like?

4. Respond

What is God speaking to you about and what are you going to do? Pray for one another

5. Reach

How would you share this good news? How has your personal witness been going?

1. Review

We recommend that you keep a discipleship journal on your phone or notebook – where you can record anything that you agree to do with the group. Take time to share how you are getting on. We encourage openness to the Holy Spirit and encouragement from your group to have an ongoing list of areas where you need to be intentional about growing.

2. Read

- **Ephesians 5.18-20**

We assume you have listened to the Podcast on the website for this topic prior to the meeting.

3. Reflect

- Is our worship like this – spirit filled and full of thanks? Is it expressing love for God? Have you experienced God worshipped in this way?
- How does your relationship with the word help you grow in spirit filled expressive love for God when you sing?
- Have you experienced an awareness of the presence of the Holy Spirit as people worship together?
- How does what you learned in this scripture effect how you come to worship?
- Do you ask God to fill you with His spirit first?
- What effect does singing Psalms, Hymns and Spiritual Songs have on you?
- Look at Luke 1:39-56 what can you learn from this?

4. Respond

What actions or changes in attitude are you being prompted to make? Make a note of these and share them with each other. Don't discount yourself or get disconsolate or under pressure ask for more grace to make progress in this fundamental area of your growth.

We want you to discover a fresh spirit filled release in your worship.

Take some time to pray – invite the Holy Spirit to give you counsel, guidance, words, pictures, scriptures, encouragement for each other on this whole topic of singing and its impact on your life. This is a great time to practice the gifts of the Holy Spirit.

5. Reach

Share how you are getting on with sharing your hope with the unsaved. How can worship help this?
