

## Love God– Celebrate the Lords Supper

### 1. Review

How have you done applying what we talked about last time?

### 2. Read

Listen to the podcast and read the scripture. What is the scripture saying? What truth of the gospel does it teach us?

### 3. Reflect

What impacts you most? What does this look like in your life? What would fruitfulness look like?

### 4. Respond

What is God speaking to you about and what are you going to do? Pray for one another

### 5. Reach

How would you share this good news? How has your personal witness been going?

### 1. Review

We recommend that you keep a discipleship journal on your phone or notebook – where you can record anything that you agree to do with the group. Take time to share how you are getting on. We encourage openness to the Holy Spirit and encouragement from your group to have an ongoing list of areas where you need to be intentional about growing.

### 2. Read

- **Luke 22:14-20**

We assume you have listened to the Podcast on the website for this topic prior to the meeting.

### 3. Reflect

- What would you say about how you participate or observe the Lord's supper? How does this relate to what you have heard on the podcast?
- How important to you is the Lord's supper as part of your worship? Do you place the same value on it as Paul and Jesus seem to?
- What do you think Paul means when he encourages the church in Corinth to examine themselves before taking the Lords Supper?
- If you were to take the Lords Supper now can you identify anything in your heart that the Holy Spirit is convicting your of?

### 4. Respond

What actions or changes in attitude are you being prompted to make? Make a note of these and share them with each other. Don't discount yourself or get disconsolate or under pressure ask for more grace to make progress in this fundamental area of your growth.

What is the Holy Spirit and the word of God saying to you about changing the way you approach the Lords Supper?

Take some time to pray and praise God. Invite the Holy Spirit to give you counsel, guidance, words, pictures, scriptures, encouragement for each other on this whole topic of celebrating the Lord's supper. This is a great time to practice the gifts of the Holy Spirit.

### 5. Reach

How are you doing with sharing your hope so far? How does the fact that in celebrating the Lord's Supper we are acknowledging we have a strong covenant with God embolden us as we share our hope?
