

## Listen & Do – Daily Bread

### 1. Review

How have you done applying what we talked about last time?

### 2. Read

Listen to the podcast and read the scripture. What is the scripture saying? What truth of the gospel does it teach us?

### 3. Reflect

What impacts you most? What does this look like in your life? What would fruitfulness look like?

### 4. Respond

What is God speaking to you about and what are you going to do? Pray for one another

### 5. Reach

How would you share this good news? How has your personal witness been going?

### 1. Review

We recommend that you keep a discipleship journal on your phone or notebook – where you can record anything that you agree to do with the group. Take time to share how you are getting on. We encourage openness to the Holy Spirit and encouragement from your group to have an ongoing list of areas where you need to be intentional about growing.

### 2. Read

**Give us today our daily bread. (Matthew 6:11)**

**"Man shall not live on bread alone, but on every word that comes from the mouth of God," (Matthew 4:4).**

We assume you have listened to the Podcast on the website for this topic prior to the meeting.

### 3. Reflect

- What is your relationship with the word like?
- Why is it important to be devoted to daily eating the bread of the word?
- What stops a daily meal? Discuss ways to overcome this.
- What is your response to being intentional about going to the word?
- What reasons do you have to go to the word of God?
- What is your experience of reading the word? Is it milk or meat?

### 4. Respond

What actions or changes in attitude are you being prompted to make? Make a note of these and share them with each other. Don't discount yourself or get disconsolate or under pressure ask for more grace to make progress in this fundamental area of your growth.

You need spiritual food or you will starve. How do you intend feeding yourself?

Take some time to pray – invite the Holy Spirit to give you counsel, guidance, words, pictures, scriptures, encouragement for each other on this whole topic of being devoted to the word. This is a great time to practice the gifts of the Holy Spirit.

### 5. Reach

We now turn to try to relate our acceptance and surrender to the need to be devoted to the word of God as our daily bread and how this impacts the story you would share with others. I think explaining that the word of God is a lamp to your feet and a great comfort and sharing this could be a good story to tell.
