

## Listen & Do- Making Disciples

### 1. Review

How have you done applying what we talked about last time?

### 2. Read

Listen to the podcast and read the scripture. What is the scripture saying? What truth of the gospel does it teach us?

### 3. Reflect

What impacts you most? What does this look like in your life? What would fruitfulness look like?

### 4. Respond

What is God speaking to you about and what are you going to do? Pray for one another

### 5. Reach

How would you share this good news? How has your personal witness been going?

### 1. Review

We recommend that you keep a discipleship journal on your phone or notebook – where you can record anything that you agree to do with the group. Take time to share how you are getting on. We encourage openness to the Holy Spirit and encouragement from your group to have an ongoing list of areas where you need to be intentional about growing.

### 2. Read

- **The Great Commission (Matthew 28:19–20)**

We assume you have listened to the Podcast on the website for this topic prior to the meeting.

### 3. Reflect

- **Making new disciples?**

- Who is the one person that you would like to see God save?
- What is the cost of this?
- Ask the Holy Spirit to lift any sense of burden or fear

- **Maturing the saved ?**

- Are you interacting with the 5 R's of the discipleship group structure or whatever you use to encourage your brothers and sisters to recover the peace and joy of who they are in Jesus?
- Are you using your gifts to bless them?
- Are you opening yourself up more and becoming more accessible in this process?

### 4. Respond

What actions or changes in attitude are you being prompted to make? Make a note of these and share them with each other. Don't discount yourself or get disconsolate or under pressure ask for more grace to make progress in this fundamental area of your growth.

We believe there will be increasing opportunity and freedom for you to witness to the person right in front of your that doesn't know Jesus.

Take some time to pray – invite the Holy Spirit to give you counsel, guidance, words, pictures, scriptures, encouragement for each other on this whole topic of making disciples. This is a great time to practice the gifts of the Holy Spirit.

### 5. Reach

You are maturing the saved through your commitment to this group – so well done. Are you pursuing the one? Family, Neighbour, work colleague – or somebody you feel the Holy Spirit wants you to witness to. Share how you are getting on with sharing your hope through prayer, acts of kindness and speaking the good news.
