Jesus says the whole law is summed up in two commandments: love the Lord and love others. What can we learn about loving our neighbor from this well known parable?

Reflect

1. What most impacted you from the passage or from the preach?
2. What did the lawyer desire when he asked Jesus "who is my neighbour", and how did Jesus answer him?
3. How was the lawyer's heart condition revealed by Jesus's parable?

Respond

4. Define mercy and how did the Samaritan demonstrate mercy to the injured man?
5. What would modern day examples of groups that are contentious towards each other like the Jews & Samaritans? Are there any groups that you personally tend to be contentious towards and why?
6. How does God see each of us? How can we work to see each other the way God sees us?
7. What "neighbours" has God placed in your path?
8. How have you shown mercy to the poor and marginalized in our society lately?
9. Does your schedule and finances have enough margin to be available to help others when needs arise? If not, what changes could you make?
10. How are you like the injured man and like the good Samaritan, how has Jesus provided and cared for you in the most vulnerable or hopeless moments?
