Reflect

1. What most impacted you from the passage or from the preach?
2. What were you most excited by?
3. What were you most encouraged by?
4. What did you feel was most personally relevant for you?
5. What were you confused by?

Respond

- Is there anything to repent of? E.g. fear of man
- Is there anything you rejoice in? Being healed/stepping out
- What one step can you take towards 'healing the sick'?
- Are there any verses to memorise to build your faith?

Practice

- Who can you offer to pray for that you know is sick?
- Seek God for words of knowledge regarding healing when you gather
- Pray for people!
