Learning to do what Jesus did

Small Group Notes

Text:

Ephesians 6:10-18

Title:

Engage in Spiritual Warfare

Further scriptures:

2 Corinthians 10: 4-5

1 Thessalonians 5: 8

Reflect

1. What most impacted you from the passage or from the preach?
2. What place does spiritual warfare have in the lives of Christians?
3. What techniques does Satan use to tempt us? Are these still the same today as in The Garden of Eden? (Genesis 3:1-6)
4. When it comes to the subject of false teaching; how do we recognize it? If you're not sure, what should you do? See Gal 1:6-10, 2 Peter 2
5. How can pride, greed and wanting to 'fit-in' with society lead to false teaching?

Respond

1. What is difficult about standing our ground in today's world?
2. Why are such simple things as truth and righteousness such a powerful armament?
3. What would be a characteristic of a person who didn't have their feet ready to run with the Gospel? Eph 6:15 Isaiah 52:7
4. Why is prayer (Eph6:18) vital to spiritual warfare? What does it mean to pray in the spirit?
Note - I don't believe Paul is referring to praying in tongues here but praying, being guided, inspired and empowered by the Holy Spirit.

Practice
