

Life in the Spirit

1. The Holy Spirit is a good gift from God for all

2. The Holy Spirit is a fire in our heart for all

1. Review

On Sunday we looked at the first in our More – Holy Spirit Series.

The Holy Spirit is a good gift and a fire in our heart for all

2. Read

John 3:1-15, Acts 2, Joel 2, Ezekiel 36 /37. Luke 11.10

2.1 The Holy Spirit is a good gift from God

- There is clear evidence when we need more of the Holy Spirit –
- He is a gift from God Luke 11.10
- There are clear benefits from receiving this gift

2.2 The Holy Spirit is a fire in the heart of every Christian

- Look at Acts 2 and the account at Pentecost – what strikes you? For Geoff it is the word All
- Peter said repent and receive the promise of the Holy Spirit
- Our salvation is not the end of it – we are saved so that God can dwell in you through the Holy Spirit. Look at Joel 2 the Holy Spirit does not discriminate
- Look at Ezekiel 36/37 dry bones – dead things bought to life –the same when our dead flesh is bought to spiritual life
- Holy Spirit lives within you look at Ephesians 1.17 and Paul’s prayer that we receive the wisdom and revelation of everything we have through the Holy Spirit.
- The Holy Spirit wants to bring you into a full experience of who you are in Jesus
- Holy Spirit is like a pilot light – always ready to warm the whole house but needs the gas turned on.
- We can treat the Holy Spirit like a lodger who is always there but we ignore.

3. Reflect

- Share your experiences and any concerns you have about being on an adventure with the Holy Spirit
- Do you treat the Holy Spirit like a lodger who you just don’t want to know or relate to?
- Are you looking forward to being with Him on a daily basis so you can encounter more of Him?
- Do you want to walk in His power and presence in your life – if so, what needs to change in your mind/attitude/life?
- How do we do this?

4. Respond

Spend some time asking for a breakthrough in your availability and desire to experience a deeper and more consistent relationship with the Holy Spirit.

5. Reach

How can you witness more freely as a co-worker with the Holy Spirit?
How do you receive His power to witness?
